

Quality Policy

- 1. Filter Solutions Ltd supplies a comprehensive range of filters, static and mobile diesel polishing, and oil conditioning management systems in the UK, together with associated equipment service breakdown and support.*
- 2. As a company, we are committed to understanding our customers' needs and expectations, and fully satisfying their requirements, as well as complying with relevant laws and regulations, and any applicable codes of practice.*
- 3. To help us achieve these aims, we have implemented a Quality Management System (QMS) complying with the international standard ISO 9001:2015.*
- 4. We are committed to continually improving the effectiveness of our QMS, as well as our company's products and services, and have set and will monitor performance against relevant quality objectives and targets.*
- 5. This policy is periodically reviewed to ensure its continuing suitability, and communicated to staff and all sub-contractors working for us or on our behalf, through induction and general awareness training, and is also shown in the company web-site, making it available to all interested parties.*
